

**Crescent Energy Announces Exchange Offers and Consent Solicitations for
Vital Energy, Inc.’s 7.75% Senior Notes due 2029 and 9.750% Senior Notes due 2030**

HOUSTON, December 1, 2025 – Crescent Energy Finance LLC (“CE Finance”), a wholly owned subsidiary of Crescent Energy Company (NYSE: CRGY) (“Crescent”) announced today that it has commenced (i) an offer to exchange (the “2029 Notes Exchange Offer”) any and all 7.75% Senior Notes due 2029 (the “Existing Vital 2029 Notes”) issued by Vital Energy, Inc. (“Vital”) that are held by Eligible Holders (as defined below) for up to \$298,214,000 aggregate principal amount of new 7.75% Senior Notes due 2029 issued by CE Finance (the “New Crescent 2029 Notes”) and (ii) an offer to exchange (the “2030 Notes Exchange Offer”) and, together with the 2029 Notes Exchange Offer, the “Exchange Offers”) any and all 9.750% Senior Notes due 2030 (the “Existing Vital 2030 Notes”) and, together with the Existing Vital 2029 Notes, the “Existing Vital Notes”) issued by Vital that are held by Eligible Holders for up to \$302,364,000 aggregate principal amount of new 9.750% Senior Notes due 2030 issued by CE Finance (the “New Crescent 2030 Notes” and, together with the New Crescent 2029 Notes, the “New Crescent Notes”).

In conjunction with the Exchange Offers, CE Finance is soliciting consents (each, a “Consent”) from Eligible Holders to adopt certain proposed amendments (the “Proposed Amendments”) to each of the indentures governing the Existing Vital Notes, which, if adopted, would eliminate substantially all of the restrictive covenants, certain events of default and certain other provisions currently contained therein (each, a “Consent Solicitation” and, collectively, the “Consent Solicitations”).

The following table sets forth the Exchange Consideration and Total Exchange Consideration (each as defined in the Offering Memorandum and Consent Solicitation Statement, as defined herein) for each series of Existing Vital Notes:

Title of Series of Existing Vital Notes	CUSIP/ISIN Number	Issuer	Aggregate Principal Amount Outstanding	Exchange Consideration⁽¹⁾	Total Exchange Consideration⁽²⁾	Consent Fee⁽³⁾
7.75% Senior Notes due 2029	144A: 516806AH9 / US516806AH93 Reg S: U51319AE8/ USU51319AE89	Vital	\$298,214,000	\$970 principal amount of new Crescent 7.75% Senior Notes due 2029	\$1,000 principal amount of new Crescent 7.75% Senior Notes due 2029	\$2.50
9.750% Senior Notes due 2030	516806AJ5 / US516806AJ59	Vital	\$302,364,000	\$970 principal amount of new Crescent 9.750% Senior Notes due 2030	\$1,000 principal amount of new Crescent 9.750% Senior Notes due 2030	\$2.50

- (1) For each \$1,000 principal amount of the applicable Existing Vital Notes (as defined below) validly tendered after the Early Tender Date (as defined below) but at or before the Expiration Date (as defined below), not validly withdrawn and accepted for exchange.
- (2) For each \$1,000 principal amount of the applicable Existing Vital Notes validly tendered at or before the Early Tender Date, not validly withdrawn and accepted for exchange.
- (3) If the Consent Threshold Condition (as defined in the Offering Memorandum and Consent Solicitation Statement) is satisfied with respect to a series of Existing Vital Notes, each holder of such series as of the Settlement Date will receive \$2.50 in cash for each \$1,000 principal amount of such applicable Existing Vital Notes held by such holder on the Settlement Date, subject to the other conditions set forth in the Offering Memorandum and Consent Solicitation Statement.

An Eligible Holder may not tender their Existing Vital Notes in an Exchange Offer without delivering their Consents and may not deliver their Consents without tendering their Existing Vital Notes. Each Eligible Holder who validly tenders (and does not validly withdraw) their Existing Vital Notes pursuant to an Exchange Offer will be deemed to have validly delivered their Consent in the corresponding Consent Solicitation with respect to the principal amount of such tendered Existing Vital Notes.

The Exchange Offers and Consent Solicitations are being made upon the terms and subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement, dated December 1, 2025 (as it may be amended or supplemented from time to time, the “Offering Memorandum and Consent Solicitation Statement”). Each Exchange Offer and Consent Solicitation is conditioned upon the Consent Threshold Condition, the Vital Acquisition Condition and the General Conditions (each as defined in the Offering Memorandum and Consent Solicitation Statement), although CE Finance may waive any condition (other than the

Vital Acquisition Condition) at any time with respect to an Exchange Offer and corresponding Consent Solicitation. Any waiver of a condition by CE Finance with respect to an Exchange Offer will automatically waive such condition with respect to the corresponding Consent Solicitation.

The Exchange Offers and Consent Solicitations will expire at 5:00 p.m., New York City time, on December 30, 2025, unless extended (such date and time, as the same may be extended, the “Expiration Date”) or earlier terminated by CE Finance.

Eligible Holders who validly tender their Existing Vital Notes on or prior to 5:00 p.m., New York City time, on December 12, 2025, unless extended by CE Finance (such date and time, as the same may be extended, the “Early Tender Date”), will be eligible to receive, on the Settlement Date (as defined below), the applicable Total Exchange Consideration set forth in the table above for all such Existing Vital Notes that are accepted for exchange. Eligible Holders who validly tender their Existing Vital Notes after the Early Tender Date but on or prior to the Expiration Date will be eligible to receive, on the Settlement Date, the applicable Exchange Consideration set forth in the table above for all such Existing Vital Notes that are accepted for exchange.

If the Consent Threshold Condition is satisfied with respect to a series of Existing Vital Notes, each holder of such series of Existing Vital Notes as of the Settlement Date will be paid \$2.50 in cash for each \$1,000 principal amount of Existing Vital Notes held by such holder as of the Settlement Date (the “Consent Fee”), subject to the other conditions set forth in the Offering Memorandum and Consent Solicitation Statement. The Settlement Date will be a date that is promptly following the Expiration Date and is currently expected to be January 2, 2026, the second business day following the Expiration Date (the “Settlement Date”). If the Vital Acquisition Condition has not been satisfied prior to the Expiration Date, CE Finance intends to extend the Expiration Date, without extending the Early Tender Date or the consent withdrawal deadline (unless required by law or unless CE Finance elects in its sole discretion to amend the Exchange Offers and the Consent Solicitations to allow further withdrawals) to have the Settlement Date substantially coincide with the consummation of Crescent’s acquisition of Vital.

The maturity date, interest rate and interest payment dates of each New Crescent Note issued pursuant to the Exchange Offers will be identical to, and the optional redemption provisions with respect to the subject New Crescent Note will be substantially the same as those applicable to, the corresponding Existing Vital Note for which such New Crescent Note was exchanged. No accrued and unpaid interest will be payable upon acceptance of any Existing Vital Notes in the Exchange Offers and Consent Solicitations (other than accrued and unpaid interest payable with respect to any fractional portion of New Crescent Notes not delivered in consideration of minimum denomination requirements). However, the first interest payment on the New Crescent Notes will include the accrued and unpaid interest from the applicable Existing Vital Notes tendered in exchange therefor so that a tendering Eligible Holder will receive the same interest payment they would have received had their Existing Vital Notes not been tendered in the Exchange Offers and Consent Solicitations.

At any time at or before the Expiration Date, if CE Finance receives valid Consents from Eligible Holders sufficient to effect the Proposed Amendments with respect to the Existing Vital Notes of a subject series, Vital may execute and deliver on the date thereof or promptly thereafter a supplemental indenture containing the Proposed Amendments to the relevant Existing Vital Indenture, which will immediately become effective upon execution but will only become operative upon the exchange of all Existing Vital Notes of the subject series validly tendered and not validly withdrawn pursuant to the applicable Exchange Offer and the payment of the applicable Consent Fee with respect to such series to holders of Existing Vital Notes as of the Settlement Date, subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement. As a result, once the supplemental indenture effecting the Proposed Amendments with respect to the subject series of Existing Vital Notes is executed, any subsequent withdrawal of a tender of Existing Vital Notes of such series will not revoke the Consent previously delivered by operation of such tender. If the Proposed Amendments become operative with respect to a series of Existing Vital Notes, the Proposed Amendments will be binding on all holders of such series of Existing Vital Notes who did not validly tender their Existing Vital Notes in an Exchange Offer. However, even if such supplemental indenture is executed, if all Existing Vital Notes of the subject series validly tendered and not validly withdrawn are not exchanged by CE Finance pursuant to the applicable Exchange Offer and the Consent Fee with respect to such series is not paid to all holders of such series of Existing Vital Notes as of the Settlement Date, such supplemental indenture will be of no force and effect until the applicable exchange consideration and Consent Fee is paid.

CE Finance, in its sole discretion, may modify or terminate any Exchange Offer and may extend the Early Tender Date (without extending the Withdrawal Deadline), the Expiration Date and/or the Settlement Date with respect to any Exchange Offer, subject to applicable law. Any such modification, termination or extension by CE Finance with respect to an Exchange Offer will automatically modify, terminate or extend the corresponding Consent Solicitation, as applicable.

The Exchange Offers are only being made, and the New Crescent Notes are only being offered and will only be issued, and copies

of the Offering Memorandum and Consent Solicitation Statement and other related materials will only be made available, to holders of Existing Vital Notes who complete and return an eligibility form confirming, among other things, that they are either a “qualified institutional buyer” under Rule 144A or not a “U.S. person” and outside the United States under Regulation S for purposes of applicable securities laws (such a holder, an “Eligible Holder”).
