

**Results of Early Participation in Crescent Energy’s Exchange Offers and Consent Solicitations for
Vital Energy, Inc.’s 7.75% Senior Notes due 2029 and 9.750% Senior Notes due 2030**

HOUSTON, December 12, 2025 – Crescent Energy Finance LLC (“CE Finance”), a wholly owned subsidiary of Crescent Energy Company (NYSE: CRGY) (“Crescent”) announced today the early results of the previously announced (i) offer to exchange (the “2029 Notes Exchange Offer”) any and all 7.75% Senior Notes due 2029 (the “Existing Vital 2029 Notes”) issued by Vital Energy, Inc. (“Vital”) that are held by Eligible Holders (as defined below) for up to \$298,214,000 aggregate principal amount of new 7.75% Senior Notes due 2029 issued by CE Finance (the “New Crescent 2029 Notes”), (ii) offer to exchange (the “2030 Notes Exchange Offer” and, together with the 2029 Notes Exchange Offer, the “Exchange Offers”) any and all 9.750% Senior Notes due 2030 (the “Existing Vital 2030 Notes” and, together with the Existing Vital 2029 Notes, the “Existing Vital Notes”) issued by Vital that are held by Eligible Holders for up to \$302,364,000 aggregate principal amount of new 9.750% Senior Notes due 2030 issued by CE Finance (the “New Crescent 2030 Notes” and, together with the New Crescent 2029 Notes, the “New Crescent Notes”), and (iii) related solicitations of consents (each, a “Consent”) by CE Finance from Eligible Holders to adopt certain proposed amendments (the “Proposed Amendments”) to each of the indentures governing the Existing Vital Notes, which, if adopted, would eliminate substantially all of the restrictive covenants, certain events of default and certain other provisions currently contained therein (each, a “Consent Solicitation” and, collectively, the “Consent Solicitations”).

The following table sets forth the principal amount of each series of Existing Vital Notes that have been validly tendered (and Consents thereby validly delivered) as of 5:00 p.m., New York City time, on December 12, 2025 (the “Early Tender Date”). Each Eligible Holder who validly tenders (and does not validly withdraw) their Existing Vital Notes pursuant to an Exchange Offer is deemed to have validly delivered their Consent in the corresponding Consent Solicitation with respect to the principal amount of such tendered Existing Vital Notes. Withdrawal and revocation rights for the Exchange Offers and the Consent Solicitations expired at 5:00 p.m., New York City time, on December 12, 2025. As a result, tendered Existing Vital Notes may no longer be withdrawn and delivered Consents may no longer be revoked, except in the limited circumstances where additional withdrawal rights are required by law or unless Crescent elects in its sole discretion to amend the Exchange Offers and the Consent Solicitations to allow further withdrawals. In this news release, all Existing Vital Notes that have been validly tendered and not validly withdrawn are referred to as having been “validly tendered” and all Consents that have been validly delivered and not validly revoked as having been “validly delivered.”

Title of Series of Existing Vital Notes	CUSIP/ISIN Number	Issuer	Aggregate Principal Amount Outstanding	Principal Amount Tendered at Early Tender Date	Approximate Percentage of Outstanding Notes Tendered at Early Tender Date
7.75% Senior Notes due 2029	144A: 516806AH9 / US516806AH93 Reg S: U51319AE8/ USU51319AE89	Vital	\$298,214,000	\$280,962,000	94.21%
9.750% Senior Notes due 2030	516806AJ5 / US516806AJ59	Vital	\$302,364,000	\$230,573,000	76.26%

The Exchange Offers and Consent Solicitations are being made upon the terms and subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement, dated December 1, 2025 (as it may be amended or supplemented from time to time, the “Offering Memorandum and Consent Solicitation Statement”). Each Exchange Offer and Consent Solicitation is conditioned upon the Consent Threshold Condition, the Vital Acquisition Condition and the General Conditions (each as defined in the Offering Memorandum and Consent Solicitation Statement), although CE Finance may waive any condition (other than the Vital Acquisition Condition) at any time with respect to an Exchange Offer and corresponding Consent Solicitation.

The Exchange Offers and Consent Solicitations will expire at 5:00 p.m., New York City time, on December 30, 2025, unless

extended (such date and time, as the same may be extended, the “Expiration Date”) or earlier terminated by CE Finance.

Eligible Holders who validly tendered their Existing Vital Notes at or before the Early Tender Date will receive on the Settlement Date \$1,000 principal amount of New Crescent Notes of the applicable series for each \$1,000 principal amount of applicable Existing Vital Notes validly tendered, subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement. Eligible Holders who validly tender their Existing Vital Notes after the Early Tender Date but on or prior to the Expiration Date will be eligible to receive on the Settlement Date \$970 principal amount of New Crescent Notes of the applicable series for each \$1,000 principal amount of applicable Existing Vital Notes validly tendered, subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement. As of the Early Tender Date, CE Finance has received the requisite number of Consents to adopt the Proposed Amendments with respect to all Existing Vital Notes. Because the Consent Threshold Condition was satisfied with respect to each series of Existing Vital Notes, each holder of such series of Existing Vital Notes as of the Settlement Date will be paid \$2.50 in cash for each \$1,000 principal amount of Existing Vital Notes held by such holder as of the Settlement Date (the “Consent Fee”), subject to the other conditions set forth in the Offering Memorandum and Consent Solicitation Statement. The Settlement Date will be a date that is promptly following the Expiration Date and is currently expected to be January 2, 2026, the second business day following the Expiration Date (the “Settlement Date”). If the Vital Acquisition Condition has not been satisfied prior to the Expiration Date, CE Finance intends to extend the Expiration Date, without extending the Early Tender Date or the consent withdrawal deadline (unless required by law or unless CE Finance elects in its sole discretion to amend the Exchange Offers and the Consent Solicitations to allow further withdrawals) to have the Settlement Date substantially coincide with the consummation of Crescent’s acquisition of Vital.

Furthermore, Vital has entered into a supplemental indenture with respect to each of the indentures governing the Existing Vital Notes containing the Proposed Amendments. Each supplemental indenture immediately became effective upon such entry but will only become operative upon the exchange of all Existing Vital Notes of the subject series validly tendered and not validly withdrawn pursuant to the applicable Exchange Offer and the payment of the applicable Consent Fee with respect to such series to holders of Existing Vital Notes as of the Settlement Date, subject to the conditions set forth in the Offering Memorandum and Consent Solicitation Statement. If the Proposed Amendments become operative with respect to a series of Existing Vital Notes, the Proposed Amendments will be binding on all holders of such series of Existing Vital Notes who did not validly tender their Existing Vital Notes in an Exchange Offer. However, the supplemental indentures will still be of no force and effect until the applicable exchange consideration and Consent Fee is paid.

CE Finance, in its sole discretion, may modify or terminate any Exchange Offer and may extend the Expiration Date and/or the Settlement Date with respect to any Exchange Offer, subject to applicable law. Any such modification, termination or extension by CE Finance with respect to an Exchange Offer will automatically modify, terminate or extend the corresponding Consent Solicitation, as applicable.

The Exchange Offers are only being made, and the New Crescent Notes are only being offered and will only be issued, and copies of the Offering Memorandum and Consent Solicitation Statement and other related materials will only be made available, to holders of Existing Vital Notes who complete and return an eligibility form confirming, among other things, that they are either a “qualified institutional buyer” under Rule 144A or not a “U.S. person” and outside the United States under Regulation S for purposes of applicable securities laws (such a holder, an “Eligible Holder”). The eligibility form is available electronically at: <https://gbsc-usa.com/eligibility/crgv>.
